

VOXSON

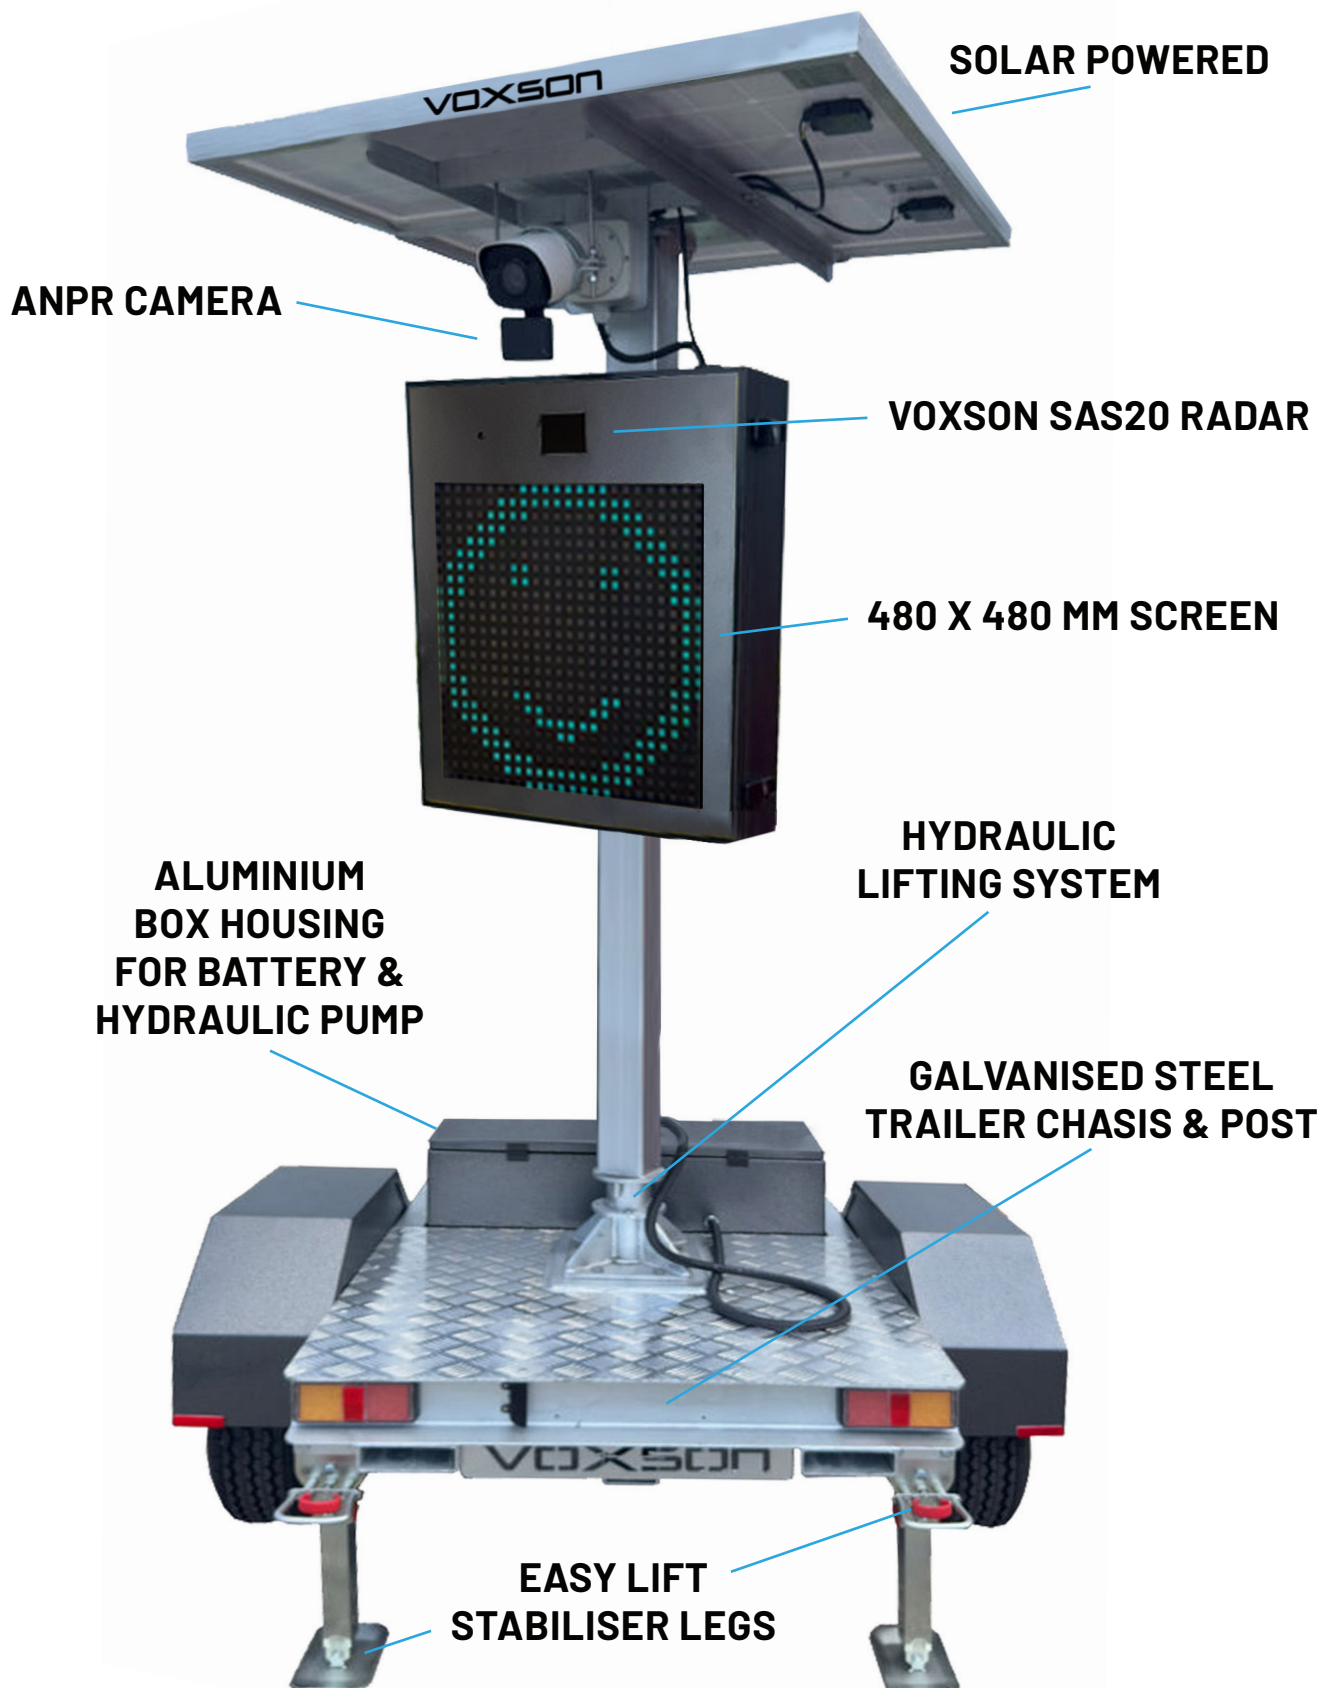

RADAR SPEED SIGN WITH ANPR CAMERA

SLOW DOWN TRAFFIC & RECEIVE VEHICLE DATA IN REALTIME TO YOUR INBOX

Voxson radar speed signs with state-of-the-art ANPR camera will send data back to your managers notifying you of breaches. Ideal for business, mining, infrastructure and Government.

THE SMART CHOICE FOR INTELLIGENT TRAFFIC MANAGEMENT

VOXSON

Voxson's Advanced Number Plate Recognition (ANPR) systems redefine traffic management by seamlessly integrating cutting-edge technology with reliability synonymous with a great Australian electronics company and LED signage specialists.

Why Choose Voxson ANPR Solutions?

- **Real-Time Data Collection:** Instantly capture vehicle speed, plate numbers, and traffic patterns sent via email.
- **Enhanced Public Safety:** Identify unauthorised vehicles and enforce compliance effortlessly.
- **Customisable Alerts:** Set speed thresholds and trigger warnings for immediate action.
- **Advanced Reporting:** Analytics for informed traffic control strategies.

With a Voxson solar powered mobile speed sign you can roll the unit into place (checking desired viewing distance) level the legs and power the unit on for immediate results.

GET UP AND RUNNING QUICKLY!

Display custom messages, speed warnings, or directions. High-brightness LEDs ensure clarity in all lighting conditions, day or night. Extremely durable, lightweight trailers with long-lasting batteries for extended operation. Update messages and settings remotely with ease.

THE SMART CHOICE FOR SAFER COMMUNITIES

WE CAN PROVIDE THE SOLUTION YOU

VOXSON MOBILE SPEED SIGNS ON SCREEN DISPLAY OPTIONS

LED screen is customisable to suit your needs. Common applications are to display vehicle speed or a message such as "SLOW DOWN". You can use a Smiley Face to indicate a vehicle is below the speed limit and a Sad Face to indicate when a vehicle has exceeded the set speed limit.

VOXSON

WE WILL WORK WITH YOU TO MEET YOUR REQUIREMENTS

Radar Speed Signs with ANPR Camera can be pole-mounted for extended use in a fixed location. We can also supply standard Traffic Advisory Signs (no ANPR camera) on a trailer or a pole-mounted configuration.

For over 50 years, Voxson has been at the forefront of innovation in Australian electronics and we can customise a solution that fits your requirements.
